

Attention to all Hockey Teams, Ringette Teams, Skating Club Members:

Take the Loop the Lake Challenge at the 6th annual Mayor's Recreation for Life Run and Walk Sunday June 3rd, 2012.

Make good use of your leftover team funds from the 2011-12 season and support Genesis Place Phase III (new twin arenas). Each ice user group is required to come up with money for this cause anyways- so why not come out and take the Loop the lake team challenge for ice user groups and enjoy the morning instead of just donating your money.

Challenge: At the end of the day the Airdrie Mayor's Run Society will split the proceeds between the AMHA new arena fund, The Ringette new arena fund, the skating club new arena fund, and ARRES-phase III. The more that register from your club= the greater the proceeds paid back to your club for use to their respective new arena fund.

Cost: \$150 per team (max. 18 members)

Course: 1 Loop of East Lake

Includes:

- Eligibility for door prize raffles, entertainment and refreshments.
- Family-fun festival atmosphere.
- Awards for overall top winners in your teams' age category.

Registration opens February 1st, 2012. Visit www.airdriemayorsrun.com for more details and to register. Or call Jodie at 403-948-5165 if you have any questions.

Sincerely,

Airdrie Mayor's Run Society
